THE **ULTRAWELD** COLLECTION

VINYL WINDOWS

PREMIUM VINYL REPLACEMENT WINDOWS

ULTRAWELD®

DOUBLE HUNG

Windows that qualify as Most Efficient are windows with the Ultimate² and Ultimate Plus² glass packages. Ask your sales rep for more information.

AWNING
Enjoy fresh air even on rainy days.

ENERGY EFFICIENT GLASS

These insulated glass (IG) units are panes of glass sealed onto the Intercept[®] U-shaped steel spacer. Together, the spacer and sealant block temperature transfer and reduce condensation.

We also offer many high-performance energy SMART[®] upgrades. Low-E coating reduces ultra violet light damage and heat gain. Argon or krypton gas fill between panes further reduce temperature transfer. Upgrades are ENERGY STAR qualified. Ask for a brochure.

PLATED LOCK FINISH OPTIONS

antique brass

satin nickel

bright brass

aged bronze

GLIDER

Sash glide easily on brass rollers and lift out from inside for easy cleaning. Offered in two or three lite styles.

LIFETIME PEACE OF MIND

Comfort, energy efficiency, ease of operation and ownership are built into every Polaris window. Tough Polaris extrusions are Ultra-Welded at every frame and sash joint to create seamless and strong windows. Vinyl itself is not a thermal conductor.

CASEMENT

Get creative with choosing one of the many options offered to create your own custom look. *Casement above is a white window with a Cherry Woodgrain interior option and Satin Nickel hardware.*

All casements will require removal of a screen to adjust miniblinds.

CASEMENT & AWNING

Awning and casement sash cranks fold into base for a clean look. Sash open fully with just a few turns. Hinged side of sash slides away from frame when fully opened.

Heavy duty casement mechanism.

DOUBLE HUNG & GLIDER

Sash Limit Locks secure partial opening.

Heavy Duty Sash Lock & Keeper secure and air tight. Continuous Over/Under Interlock not trimmed away at lock.

Double hung sash tilt in for easy cleaning with Recessed Tilt Latches. Gliders lift out from inside for easy, safe cleaning.

Double Hung has Continuous Over/Under Interlock to prevent air infiltration. Aluminum Reinforced Meeting Rails

Extruded Lift Rail secure part of sash extrusion, not added later. Fusion welded frame and sash corners are strong and free from gaps.

Multi Chamber Extrusions strong and insulating. Foam-filled main frame.*

Heavy duty sash hooks & frame bar lock in up to four places.

BAY & BOW

Bays traditionally feature a center picture window flanked by casement or double hung windows. Two windows can replace the picture window. Windows in a bow are all the same size. Picture windows are flanked by two operable windows. Add recessed lighting as an option.

3 lite bay
Exterior Paint shown in Black*

3 to 6 light bows
aluminum hip roof in sierra tan*

2 panel patio door. Also available in 3 panel.

GARDEN

Add an herb garden to your kitchen with a garden window.

PATIO DOOR

The UltraWeld® vinyl patio door delivers the latest in technology and safety. Choose from same color & glass options as windows.
